

Military Experts Say U. S. Must Awake To Task Before It

**Say First Draft In September Will Be
Only Drop In The Bucket As Com-
pared With Future Requirements**

U. S. AND CANADA MUST RUN THE WAR

By Webb Miller

Washington, May 25—Russia is out of the war as far as military power is concerned for at least two years. France is about out of man power. These are the cold facts in the war situation as seen by military men who have been in touch with American observers.

While Great Britain has considerable punch left these military experts declare that the United States must bear the main burden.

The war they say will last long. America's half million men to be drafted in September will only be "a drop in the bucket" and must be followed by other vast armies if present conditions continue. The war situation has been misinterpreted or the information has been unreliable owing to the allies designing to hide the real facts or it may be in part due to the ignorance of the newspapers.

In this connection they say that a solution for the submarine is necessary before there is victory. America must bear the burden of the war. It will last two years, possibly three years and the sooner the nation awakes the sooner it will be over.

The nation's apathy is deplorable. This is shown by the slow recruiting and the unwillingness to buy Liberty bonds.

The selective service system will get the men but the spirit must be willing if the war will be a success."

What Uncle Sam's Boys Are Doing In War

Since America entered the war this country is very much in the limelight abroad. Here are some United Press dispatches, showing how Uncle Sam is figuring in Europe.

Rome, May 25—Italy's fad of the hour is anything and everything "Americane." The Romans toast Uncle Sam in Manhattan cocktails, then go and see movies entitled "The Invasion of the United States" "Civilization" and "The Mysteries of New York," the latter a series of shuddering melodramas.

London, May 25—The gum-chewing habit will become firmly saddled on the British public when an American expedition comes over. Already the Canadians have introduced gum to their English brothers-in-arms. Medical folks, in weighty papers, find that the American chicle raises the blood-pressure and thereby imparts a sense of confidence in the attacking soldier. An American expedition might start the whole empire's jaws wagging.

Rome, May 25—"Old Glory" today is flying on Capitoline Hill, the cradle of old Rome's and the modern world's civilization. The Stars and Stripes is swinging from the sixteenth century capitol building, designed by Michael Angelo.

Paris, May 25—The American club of Paris has decided to permit all army and navy officers on duty here in future to become honorary members of the club without payment of fees, until the war ends.

London, May 25—American housewives in England are generally observing Lord Devonport's voluntary rationing system. Nearly every American home in London is now restricted to the prescribed four pounds of bread a week, 2 1/2 pounds of meat and 3-4 pound of sugar. American husbands, however, are suspected of cheating a little bit at noon by patronizing restaurants noted for their liberal helpings.

Rome, May 25—President Wilson and the American people will be the objects of an Italian propaganda to show the justice of Italy's claims to the "irredeemable" lands of Trent and Trieste now under Austrian control. The Roman branch of the Trent-Trieste association has cabled Wilson, congratulating him on warring for democratic ideals.

Paris, May 25—The people of France cannot understand why the American government since declaring war on Germany has not leaped to

Circus Ticket Seller Embarks With Funds

Makes Away With Ninety Dollars of
The Receipts of Evening

The Cook Brothers and Wilson circus which showed here yesterday had been traveling in hard luck practically all season, due in large measure no doubt to the long siege of bad weather, as a result the "big augur" or sawdust king who looked after the business end of the outfit was about as pleasant company while in Clearfield as a bear with a sore foot. He growled around and threatened to eat up every fellow who got near him, especially the poor newspaper man with a bill to collect.

As a punishment for his ill nature and the rough, rude, boisterous, angry and domineering manner in which he ordered, shoved, pushed and man handled the poor Knights of the pencil, scissors and paste pot while in Clearfield, along about the time the shades of night had begun to close down over the lot and the evening and the big show tent commenced to fill up the woes of old "sore head" manager were greatly added to when he was informed that the boss ticket seller had slid quietly out of the ticket wagon and was nowhere to be found. The manager immediately quit scrapping with the fellow trying to "deal head" in on a pass and beat it to the wagon. A hasty survey convinced him that his information was correct, the ticket seller had vanished and before doing the vanishing act had evidently secreted about his person or convenient to his good right hand, a large, and juicy share of the proceeds of the afternoon show, regardless of how badly those proceeds were needed to plug up many holes in the pay roll which were daily getting bigger.

Burgess Callahan and the police force were quickly notified and a hasty search ordered but despite the most careful combing of the town and its environs it was impossible to locate the missing ticket seller, and the last seen of the "rascal" of the circus when the train pulled round the bend of the brewery in the direction of Philipsburg he was standing on the back platform of the last car shaking his fists in the direction of our beautiful little city and heaping maledictions on the heads of the missing ticket taker, the editors and the weather man.

Intoxicated Father And Children Sent Home

Came to See the Circus But Father
Looked too Long on the Wine.

A Pike township resident brought his kiddies to town yesterday to see the circus and while the little folks were waiting for the parade the father proceeded to "load up." He was disgustingly successful and as a result before show time arrived the father was maudlin drunk and the trip of the little folks to see the circus, instead of being a joyous one turned out to be a tragedy. The troubles of the little folks were told to the police and they very promptly rounded up the drunken father, hired an automobile, for which they made him pay, and loading he and his little folks into the car drove them home.

When they arrived at their destination the mother of the little ones gave the drunken father piece of her mind but a coat of tar and feathers should have been added as the only punishment to fit such a crime.

CLEARFIELD TOWN'S SHARE

Since publishing yesterday's statement concerning the quota of soldiers expected from Clearfield county under the first conscription call, we have been asked time and again how many of the 425 to be supplied by the county would come from Clearfield borough.

According to the figures compiled by the experts under the direction of the War department and carrying out the same ratio here Clearfield will be called upon for forty men or an average, as shown by the figure, taken from the military roll of ten to each ward.

THE REGISTRATION BOARD

We made a slight error in our story yesterday concerning the make up of the board of registration for Clearfield county. As much as we stated that the Prothonotary was a member of the board. The board is composed of but three men. Sheriff McCloskey as chairman and County Commissioner Jesse E. Dale, Secretary and State Representative Dr. S. C. S.

OSCEOLA GOING TO CELEBRATE ON MAY 30TH

Public Flag Raising Will Take
Place In The Park And All
Town Organizations Help

COMMENCEMENT NEXT FRIDAY

(Special to Progress)

Osceola Mills, Pa., May 25.—At a meeting of citizens held in the Council Rooms on Wednesday evening committees were appointed to complete the arrangements for a public flag raising in the park in the center of town on Memorial Day. Invitations have been issued to all the school children, fraternal and civic organizations to form for the parade at 1:30 and will move at 2 P. M. prompt. Following the parade addresses will be delivered by the several pastors of town. There will be at least three bands present and probably five which together with the singing of the school children will be well worth hearing. A large flag has been presented to the committee by Mr. J. Rose and the funds for the 50 foot steel pole were paid by the citizens.

The commencement exercises of the Osceola Mills High School class of 1917 will be held in the Fireman's Arcade Friday evening June 1st. The Eucalyptus sermon will be delivered by Rev. S. T. Lewis in the Presbyterian church Sunday evening, May 27th at 7:30. The class motto is "Impossible is Un-American" and the class colors black and white. Their flower is the American Beauty Rose. The members of the class are Leonard A. Olson, Ethel Grace Allard, Mary Louise Lewis, Reila May Washburn, Ethel R. Witchey, Kathryn Agnes Hefferan, Verna Isabel Reams, Mary Agnes Dempsey and Harry W. Witchey.

J. L. Reeve, a former resident of town and who had a number of business interests here at one time but who has been living at Bel Air, Md., for several years was visiting friends in town this week. We understand "Landy" has disposed of his farm and is thinking of locating in our town again.

Rev. Gordon S. Williams and Miss Pruella Moore are on a "Flying Squadron" trip through Blair county in the interest of the District Epworth League convention.

Rev. John F. Cobb of Sandy Ridge, was in town on Thursday.

Members of the G. A. R., Sons of Veterans and P. O. S. of A. will attend the Presbyterian church in a body on Sunday morning.

Rev. S. T. Lewis conducted the funeral service of Harry Stewart at Sandy Ridge on Wednesday evening. The remains were taken to Bousburg for interment on Thursday morning.

AGAINST PROPOSED CUT

Harrisburg, May 25.—The Clearfield county members of the Legislature are greatly interested in the proposed appropriation for improved roads and will doubtless object with vigor any attempt to reduce the amounts now carrier in a pending bill.

Under its present provisions Clearfield county will receive \$261,751.60 for State Highways and \$65,027.65 for State and roads. The latter amount must be donated by the local authorities, making available for improved roads in Clearfield county a total of \$331,389.80.

The allotment among the counties is made by State Highway Commissioner Black, who insists that each county shall have an equitable share of the total appropriation. The allotment indicates as well the volume of work planned for Clearfield county by Commissioner Black and Chief Engineer Uhler, for the next two years.

A reduction in the bill of one million dollars, for State all work, and of four million dollars for State Highways, would mean a loss to the roads of Clearfield county of \$110,469.30.

REHEARSAL POSTPONED

The chorus rehearsal at the West Side church has been postponed until next Friday night on account of the P. O. S. of A. rally.

Civil War Veteran's Final Muster Out

Abram Fleck Dies at His Cherry
Street Home Last Night

Abram Fleck, a resident of Clearfield for almost half a century and a veteran of the Civil war with a most enviable war record, passed peacefully into rest at his Cherry street home about 10:30 o'clock last evening in the 73rd year of his age, following an illness of several months duration.

The deceased was born at Tipton Blair county, July 22nd, 1841. On July 15, 1863, he enlisted in Co. C Twenty Second Pa. cavalry and was discharged February 5, 1864. February 24, 1864, he re-enlisted in Co. B, Third Pa. Cavalry and was discharged from this service October 31, 1865. Mr. Fleck was a good soldier and possessed a most meritorious military record, his discharges reciting the fact that he had participated in the following battles or engagements: Lectown, Maryland Heights, Snicker's Gap, Winchester, Opequan Creek, Berryville, Charleston, Halltown, Martinsburg, Stevens Depot, Driskville, Bunker Hill, Martinsburg, Winchester, Fisher's Hill, Mount Jackson, Brown's Gap, Mt. Vernon, Force and Cedar Creek.

After the war he returned to Tyrone and on March 7, 1867, was married to Miss Elizabeth Shelov, who survives him together with one daughter, Mrs. J. L. Shellen and one son Cecil W. Fleck all of Clearfield. One sister Miss Margaret Fleck, of Tyrone, also survives him.

In 1874 Mr. Fleck moved with his family to Clearfield where he took charge of and operated the gas house for a number of years. Following his retirement from this position he engaged in contracting and construction work. He was possessed of more than ordinary ability in his line and his services were always in demand.

He was an industrious, hardworking good citizen and possessed a wide circle of friends. The funeral will be held from his late home Monday afternoon at 2 o'clock, Rev. Hartman, of Trinity M. E. church officiating. Interment in Hillcrest cemetery.

Jews Will Celebrate Feast Of The Weeks

Celebration Begins Saturday Evening
And Continues Over Sunday

The Jewish people of Clearfield will celebrate "Shabbath" or the Feast of Weeks" beginning Saturday evening and extending over Sunday. This is one of the important Jewish holidays but had never before been celebrated in Clearfield on account of the small number of Jewish families in our town.

They will hold their services Sunday in the Fireman's hall in the borough building. Following is a description of the feast of the weeks:

After the children of Israel had left Egypt, Moses led them through the desert. They met with several adventures on the way, such as finding bitter water at the well of Marah and having no food in the wilderness of Sin. In both instances their troubles were relieved by the mercy of God, who rained down manna from heaven for them, and told Moses how to sweeten the bitter waters of Marah.

They came to Mount Sinai. Here on the sixth day of the third month, Sinai, God revealed to them His law, and through Moses gave to the people the Ten Commandments. This sublime event took place on the fiftieth day after their departure from Egypt. For this reason the feast is also called Pentecost, which is derived from a Greek word meaning fifty. It is called the Feast of Weeks, because forty-nine days, or a week of weeks elapse between it and the first day of Pass-over.

BILL HUBBARD DEAD

W. C. Hubbard the insurance adjuster, so well and favorably known in Clearfield, passed away in a hospital at Pittsburgh yesterday following an operation for cancer. Mr. Hubbard was a member of the Crystal Springs hunting camp and news of his death was a sad shock to his friends here.

NOTICE

Travelers Report Loss Of Cunard Liner Feltria With 53 Missing

New York May 25—Loss of the Cunard liner Feltria with at least two colored American firemen included in the 53 missing was reported by travellers from Europe who were in New York today. The Feltria was sunk May 5, they said, being sunk after an unwarned torpedo attack by a submarine. She sank in ten minutes. The survivors were picked up by an admiralty yacht May 6. The travellers also brought the information of the sinking of the British steamer Maine which was under American charter and which flew an American flag, and the sinking of the British steamer Corfield by shell fire and torpedo attack. Three of the Corfield's crew were lost including a white American sailor.

Miner's Notify Billy Wilson That They Accepted Scale Under Protest

DuBois, May 25—No. 2 miners in special convention here today drafted a letter addressed to Secretary of Labor Wilson which declared that the Washington scale agreement was accepted under protest. The convention objected to the car-pushing terms and asked that the Federal government investigate that phase of the coal industry in this state. Another request was that the government investigate the high cost of living.

Judge Gary Predicts All Neutrals Will Declare War On Germany

New York, May 25—A prediction that "some or all of the South and Central American Republics and China, Spain, Scandinavia, Holland and Switzerland probably will declare war on Germany was made in a speech before the annual meeting of the American Iron & Steel Institute here today by Judge Gary, of the United States Steel Corporation. "The allies' greatest element of success is their principle that 'right makes might,'" said Gary. "It is doubtful if any of us realize the strength of the enemy except his grim determination to fight. For the reason that we are right we shall probably see other nations of strength and importance heretofore neutral in attitude join the allies in the war. These countries will not permit their people to be subject to the domination of a nation which considers force as the only consideration for aggression and expansion."

First American Fighting Unit Are At Work On Firing Line In France

By Henry Wood

At the Training Camps of American Fighting Forces Somewhere in France May 25—America's first fighting forces were in active service today. Section one of the American munitions transport company numbering 40 odd young Americans were busy hauling shells and ammunition to the French fighting forces at the front under fire. Simultaneously with Section one's entrance into active duty there arrived Section two and three. These are composed mostly of Hanover College men who will commence active duty this week. There are also Dartmouth, Yale, John Hopkins, Chicago and Williams College students in the unit.

The third section of the American munitions transport service arrived at the front today according to a statement by A. Diatt Andrews, commander of the unit. "No. 3" is under command of H. C. Kennedy of Hanover Mass., who in 1916 was captain of the Dartmouth football team.

WOMEN'S CLUB MEETING

A very successful and well attended meeting of the Woman's club was held last night at the home of Mrs. Frank Reed. A short business meeting was followed by a musical program. There were solos by Miss Margaret Betts, Miss Elizabeth Reed and Miss Eleanor Martin and Miss Betts and Miss Reed also sang two very lovely duets. Mrs. Van Austin accompanied the soloists with her usual skill. Miss Margaret Wrigley and Mrs. J. L. Irwin gave delightful piano selections. All the music was enthusiastically appreciated. Light refreshments were served by Mrs. Reed. The club wishes to thank Mrs. Reed for her hospitality.

NOTICE

The first consignment of 60 bushels of seed potatoes secured by the Clearfield Bankers' association has been received and distributed. Owing to some delay in loading the other shipment, they will probably not arrive before the first of next week. A sufficient quantity has been secured to supply all persons who have made application to the three banks up to this date. Notice will be given when they are ready for distribution. The price is \$3 per bushel at the car.

Have you talked to your banker about a Liberty Bond?

Those of us who studied geography a decade or so ago would have considerable trouble describing Europe today.

Make every lazy dollar work. It will work with absolute safety, highest efficiency and for the honor and glory of the Stars and Stripes when invested in a Liberty Bond.

DuBois is making an effort to start a canning factory. A laudable enterprise. Let us all have a little canning factory in our kitchens.

Enlist or invest,
For there's no other way
To be happy, contented,
But to fight or to pay.

The circus cashier who decamped with some of the funds last night under cover of darkness should be indicted for receiving stolen goods as well as for the stealing of the cash.

Liberty Loan bonds are becoming popular as wedding presents, according to the city press. Let us hope the practice will continue until Xmas so that the giving of gifts will have some benefit aside from the joy of giving.

The law says a minor is a person who is under the age of twenty-one years but when he buys liquor he is not considered a minor unless he shows nothing but fuzz on his upper lip, still uses pomade to make his hair lay straight

and gives every evidence of using the nursing bottle and being tied to his mother's apron strings.

It does not take a Barnum and Bailey circus to fool the people. Any outfit that can drum up a parade can get us going. We pay our money, acknowledge our shortcomings and permit the same thing to be done time after time.

Some newspapers seem to think that the man who buys a Liberty Bond is sharing the burden of the war. We cannot see how it is a burden in any sense of the word. It is a saving and an investment. You may invest your money at a sound rate of interest and for those who do not make a practice of saving it is the chance of their lives to start now and not only see their money draw interest but working for a glorious cause as well. The only burden may be that which comes to every man who saves his money and sacrifices some of the more frivolous luxuries of life but while he is sacrificing that little pleasure he has the advantage of knowing that his money is safe in a "government bond."

Do You Grind

Coffee 3 times A DAY?

If you do, you grind into it the bitter chaff which ruins its flavor and aroma.
There is no chaff in Golden Sun Coffee. It is cut by a special process—not ground. Packed in air-tight, sealed, flavor-retaining cans Golden Sun gives a maximum number of cups of rich, clear, fragrant coffee to every pound.

The price is modest. Only grocers sell it. No premiums—just the finest coffee.

Give Us A Great Medicine---Was The Cry of All Suffering Humanity For The Suffering And Ailing Millions Has Come An Answer--GOLDINE

Shawn, The Original GOLDINE Man Himself

Not An Agent, Not a Demonstrator, But Shawn Himself, The Man Who Originated The Perfected Goldine, Invites All To Try His Wonderful Medicine Absolutely FREE At Stewart's Drug Store Here In Clearfield

Three years we spent in perfecting these remedies. We imported rare herbs and roots; we searched the world for new ideas in curative science. We employed experts to aid us in perfecting these wonderful remedies.

Now we have arrived at our ideal, as near perfection as is humanly possible. We make our extracts from the fresh roots, herbs, barks and berries. The fresh herbs are all we use in them. Then we concentrate them into an essence, getting almost entirely rid of the extreme bitterness characteristic of herb medicines. These extracts—as pure as Nature and scientific chemistry can make them—are then boiled, ready for you with all the creative value of Nature's greatest remedies—Root and Herbs.

IS GOLDINE A TRULY GREAT MEDICINE? LET DUBOIS PEOPLE ANSWER

Wife of Rev. David Lunquist, Well Known Minister

Pastor, Swedish Congregational Church, of DuBois, says: "For three years I have been having trouble with my nerves. I was troubled with sleeplessness, would get dizzy spells short of breath, suffered from rheumatic neuralgia through the muscles of my limbs. I also had liver trouble, my skin was sallow, tongue coated and I had gaseous indigestion. My nerves were so bad I got weak and trembled and couldn't sleep at night. Since using Goldine I can sleep good and full, rested in the morning and I can eat and digest my food. I have found Goldine to be up to its claim and can recommend it as a good medicine from my own experience."

Mrs. Etta Harber, Paralyzed, Recovers in Week:

Says Mrs. Harber: "My face was born crooked and was numb from paralysis. I was dizzy, short of breath, my heart palpitated. I was blind with gas, I had rheumatism, my knees got stiff. Now, what I am I had to go to ten times each week and I have been almost entirely recovered."

Shawn, Originator of "GOLDINE"

been of these conditions and am now enjoying better health than for a long time. I invite any one to come and see me if they doubt these facts."

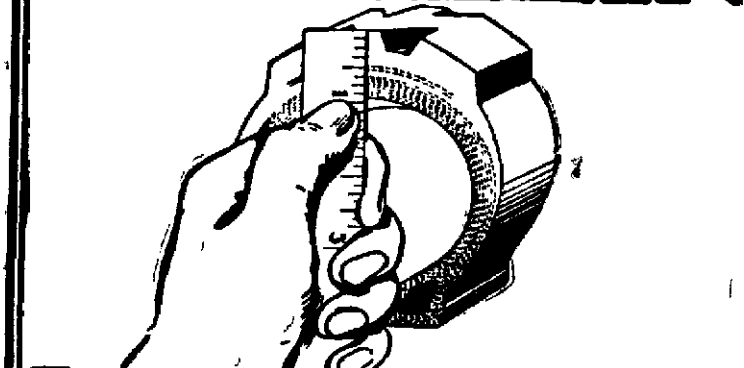

W. H. Spencer, Enthusiastic After Six Days' Use.

Says: "For a long time I have had rheumatism, headache, dizziness, catarrh, dropping of mucous in my throat, lame back, getting up nights 7 or 8 times because of bladder trouble, smarting, scalding, ankles and limbs swelling and feet going to sleep. I was nervous, weak, trembled and run down. Six days after I started the Goldine Remedies I am wonderfully benefited. I have been doctoring for years, but never before have I had such benefits as these Goldine medicines have given me."

Mr. Lewis, a Painter by Trade

Says: "It was my stomach that bothered me. For ten long years I had the trouble. I bloated with gas, had headache, shortness of breath and palpitation of the heart. I had rheumatism in the muscles of my legs, numbness in my back and my limbs got numb. Goldine has surely been a wonderful benefit to me."

CLEARFIELD, PA.

This Store Stands To The Forefront---Ready

Tomorrow We Begin An Unusual Sale In Our Ready-to-Wear Department

Our Entire Stock of New Spring Suits And Coats, At Prices Less Than Regular.

That this announcement will create unusual interest is a foregone conclusion. It is a radical step to take—to reduce the price of ready-to-wear garments just when there is the greatest demand for spring clothes. The cold weather for the past several weeks has compelled you to wear your heavier clothes. It is because of this unseasonable weather that we have a larger stock in our ready-to-wear section than we had hoped to have at this time. This price reduction affects a great number of garments; so rest assured that it will pay you handsomely to visit the store tomorrow morning—early.

WOMEN'S SUIT SALE

\$22.50 and \$25.00 Suits, sale price \$11.25
\$27.50 and \$30.00 Suits, sale price \$13.75

\$17.50 and \$18.50 Coats, sale price \$8.75
\$22.50 Coats, sale price \$11.25

Millinery Radically Reduced

We are going to make quick disposal of the remaining spring hats. They include some of the most fashionable shapes of the season.
Ladies' \$5.00 and \$6.00 trimmed hats \$2.50
Ladies' \$7.00 trimmed hats \$3.50
Children's \$2.00 to \$3.50 trimmed hats now \$1.50 to \$2.25
\$6.00 and \$7.00 untrimmed shapes at \$4.95

A Double Value---98c for Sport Hats Worth \$1.50

Reports from manufacturers say that sports designs are very popular this summer. So the mere mention of this low price of such unusual hats will sell these quickly.

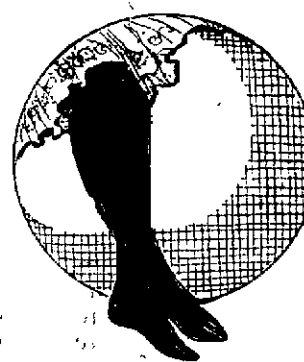

Hats For The Kiddies---Dear, Dainty Little Affairs At \$1.00 to \$3.50

The other day a mother brought her little girlie into our store, dressed in a pretty white dress. The child had a little white hat on which seemed to match the dress perfectly. The hat came from our children's millinery section and we wondered then, if it would not be a good idea to tell mothers what a fine showing of children's hats are found here. Will you bring your little one in and try some of these hats on her precious little head?

For A Trim Looking Ankle, Silk Stockings at \$1.25 a pair

If you would have your summer pumps fit comfortably and your ankle neat and trim looking, you must wear a pair of silk stockings such as these. The silk is of superior quality, fits the foot smooth and has the richest appearance. May be had in black, white, gray, bronze, navy, regimental and fancies.

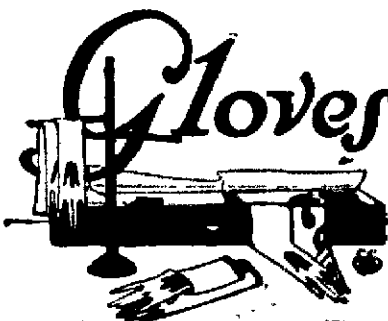

They've Come At Last---Silk Gloves at 59c A Pair

We have been waiting, anxiously for their arrival—and now they're here. Fit well. Made of strong, moderately heavy silk with an especially large showing of black and whites with self and contrasting stitching. Two clasp length.

Washable Fillosette Gloves 75c pr.

Fillosette gloves such as these would be good value at any price, because they give splendid service and look just as fresh after each tubbing and are in just the right weight for summer wear. Have stitched backs and two clasps.

Friday Hour Sale From 10 to 11 A. M.

59c White Gaberdine, Extra Special 39c yard

Friday morning between the hours of 10 to 11 o'clock we will place on sale a new piece of 36 in. wide white gabardine, very desirable for skirts, the regular price is 59c a yd. One hour only at 39c

(At the White Goods counter)

Girls Gingham Dresses at \$1.25

These gingham dresses at \$1.25 will prove two things, first that a very good dress can be bought for little cost, and secondly, that a practical dress can also be made very attractive and very pretty. Fast color gingham used in the making which may be had in bright color plaids so much in demand. Sizes 2 to 14 years.

Other pretty wash dresses 79c to \$3.50

Military Experts Say U. S. Must Awake To Task Before It

Say First Draft In September Will Be Only Drop In The Bucket As Compared With Future Requirements

U. S. AND CANADA MUST RUN THE WAR

By Webb Miller

Washington, May 25—Russia is out of the war as far as military power is concerned for at least two years. France is about out of man power. These are the cold facts in the war situation as seen by military men who have been in touch with American observers.

While Great Britain has considerable punch left these military experts declare that the United States must bear the main burden.

The war they say will last long. America's half million men to be drafted in September will only be "a drop in the bucket" and must be followed by other vast armies if present conditions continue. The war situation has been misinterpreted or the information has been unreliable owing to the allies designing to hide the real facts or it may be in part due to the ignorance of the newspapers.

In this connection they say that a solution for the submarine is necessary before there is victory. America must bear the burden of the war. It will last two years, possibly three years and the sooner the nation awakes the sooner it will be over.

The nation's apathy is deplorable. This is shown by the slow recruiting and the unwillingness to buy Liberty bonds.

The selective service system will get the men but the spirit must be willing if the war will be a success."

What Uncle Sam's Boys Are Doing In War

Since America entered the war this country is very much in the limelight abroad. Here are some United Press dispatches, showing how Uncle Sam is figuring in Europe.

Rome, May 25—Italy's fad of the hour is anything and everything "Americane." The Romans toast Uncle Sam in Manhattan cocktails, then go and see movies entitled "The Invasion of the United States" "Civilization" and "The Mysteries of New York," the latter a series of shuddering melodramas.

London, May 25—The gum-chewing habit will become firmly saddled on the British public when an American expedition comes over. Already the Canadians have introduced gum to their English brothers-in-arms. Medical folks, in weighty papers, find that the American chicle raises the blood-pressure and thereby imparts a sense of confidence in the attacking soldier. An American expedition might start the whole empire's jaws wagging.

Rome, May 25—"Old Glory" today is flying on Capitoline Hill, the cradle of old Rome's and the modern world's civilization. The Stars and Stripes is swinging from the sixteenth century capitol building, designed by Michael Angelo.

Paris, May 25—The American club of Paris has decided to permit all army and navy officers on duty here in future to become honorary members of the club without payment of fees, until the war ends.

London, May 25—American housewives in England are generally observing Lord Devonport's voluntary rationing system. Nearly every American home in London is now restricted to the prescribed four pounds of bread a week, 2 1/2 pounds of meat and 3-4 pound of sugar. American husbands, however, are suspected of cheating a little bit at noon by patronizing restaurants noted for their liberal helpings.

Rome, May 25—President Wilson and the American people will be the objects of an Italian propaganda to show the justice of Italy's claims to the "irredeemable" lands of Trent and Trieste now under Austrian control. The Roman branch of the Trent-Trieste association has cabled Wilson, congratulating him on warring for democratic ideals.

Paris, May 25—The people of France cannot understand why the American government since declaring war on Germany has not leaped to

recognize in a material way the Americans who have long been fighting for France. A letter signed "A French Mother," printed in a French paper, said: "Why is it that those few Americans brave enough to seek voluntarily, while their country was still neutral, the ranks of our army, have not yet been claimed by their own government, whose citizens they remain? While all those at home are apparently receiving commissions and honor, are these men to remain sergeants and soldiers in the French army, unrecognized and unhoored by their mother country?"

MODIFIED CENSORSHIP WILL PASS

Washington, May 25.—The censorship clause making it a misdemeanor to publish the names and positions of military and naval forces of the United States or her allies was first agreed upon by the House and Senate conferees in the Gregory espionage bill. The modified censorship clause will be a law. It is expected that it will pass both houses of Congress.

HEAVY PENALTY FOR CANADIAN SLACKERS

Ottawa, Ont., May 25.—A fine of \$2500 or five years in prison or both is awaiting any Canadian between 18 and 45 who leave Canada to escape military service, according to a government order in Council issued today.

BRITISH COMMISSION LEAVES U. S.

Washington, May 25.—The British Commission left Washington last night and will cross the Canadian border some time this morning. This completes their visit to America.

SENATOR WANTS INQUIRY INTO MUNITION EXPLOSION

Washington, May 24.—Senator Frelinghuysen, New Jersey, today introduced a resolution demanding senatorial inquiry into the recent accident aboard the American steamships, due to defective ammunition.

JAPS COOPERATE IN MEDITERRANEAN

Rome, May 25.—The Japanese government is effectively cooperating with the allied ships in the Mediterranean according to an admiralty announcement today.

Circus Ticket Seller Embarks With Funds

Makes Away With Ninety Dollars of The Receipts of Evening

The Cook Brothers and Wilson circus which showed here yesterday had been traveling in hard luck practically all season, due in large measure no doubt to the long siege of bad weather, as a result the "big augur" or sawdust king who looked after the business end of the outfit was about as pleasant company while in Clearfield as a bear with a sore foot. He growled around and threatened to eat up every fellow who got near him, especially the poor newspaper man with a bill to collect.

As a punishment for his ill nature and the rough, rude, boisterous, angry and domineering manner in which he ordered, shoved, pushed and man handled the poor Knights of the pencil, scissors and paste pot while in Clearfield, along about the time the shades of night had begun to close down over the lot and the evening and the big show tent commenced to fill up the woes of old "sore head" manager were greatly added to when he was informed that the boss ticket seller had slid quietly out of the ticket wagon and was nowhere to be found. The manager immediately quit scrapping with the fellow trying to "deal head" in on a pass and beat it to the wagon. A hasty survey convinced him that his information was correct, the ticket seller had vanished and before doing the vanishing act had evidently secreted about his person or convenient to his good right hand, a large, and juicy share of the proceeds of the afternoon show, regardless of how badly those proceeds were needed to plug up many holes in the pay roll which were daily getting bigger.

Burgess Callahan and the police force were quickly notified and a hasty search ordered but despite the most careful combing of the town and its environments it was impossible to locate the missing ticket seller, and the last seen of the "rascal" of the circus when the train pulled round the bend of the brewery in the direction of Philipsburg he was standing on the back platform of the last car shaking his fists in the direction of our beautiful little city and heaping maledictions on the heads of the missing ticket taker, the editors and the weather man.

Intoxicated Father And Children Sent Home

Came to See the Circus But Father Looked too Long on the Wine.

A Pike township resident brought his kiddies to town yesterday to see the circus and while the little folks were waiting for the parade the father proceeded to "load up." He was disgustingly successful and as a result before show time arrived the father was maudlin drunk and the trip of the little folks to see the circus, instead of being a joyous one turned out to be a tragedy. The troubles of the little folks were told to the police and they very promptly rounded up the drunken father, hired an automobile, for which they made him pay, and loading he and his little folks into the car drove them home.

When they arrived at their destination the mother of the little ones gave the drunken father piece of her mind but a coat of tar and feathers should have been added as the only punishment to fit such a crime.

CLEARFIELD TOWN'S SHARE

Since publishing yesterday's statement concerning the quota of soldiers expected from Clearfield county under the first conscription call, we have been asked time and again how many of the 425 to be supplied by the county would come from Clearfield borough.

According to the figures compiled by the experts under the direction of the war department and carrying out the same ratio here Clearfield will be called upon for forty men or an average, as shown by the figure, taken from the military roll of ten to each ward.

THE REGISTRATION BOARD

We made a slight error in our story yesterday concerning the make up of the board of registration for Clearfield county inasmuch as we stated that the Prothonotary was a member of the board. The board is composed of but three men. Sheriff McCloskey as chairman and County Commissioner Jesse E. Dale, Secretary and State Representative Dr. S. C. E.

OSCEOLA GOING TO CELEBRATE ON MAY 30TH

Public Flag Raising Will Take Place In The Park And All Town Organizations Help

COMMENCEMENT NEXT FRIDAY

(Special to Progress)

Osceola Mills, Pa., May 25.—At a meeting of citizens held in the Council Rooms on Wednesday evening committees were appointed to complete the arrangements for a public flag raising in the park in the center of town on Memorial Day. Invitations have been issued to all the school children, fraternal and civic organizations to form for the parade at 1:30 and will move at 2 P. M. prompt. Following the parade addresses will be delivered by the several pastors of town. There will be at least three bands present and probably five which together with the singing of the school children will be well worth hearing. A large flag has been presented to the committee by Mr. J. Rose and the funds for the 50 foot steel pole were paid by the citizens.

The commencement exercises of the Osceola Mills High School class of 1917 will be held in the Fireman's Arcade Friday evening June 1st. The Eucalyptus sermon will be delivered by Rev. S. T. Lewis in the Presbyterian church Sunday evening, May 27th at 7:30. The class motto is "Impossible is Un-American" and the class colors black and white. Their flower is the American Beauty Rose. The members of the class are Leonard A. Olson, Ethel Grace Allard, Mary Louise Lewis, Reila May Washburn, Ethel R. Witchey, Kathryn Agnes Hefferan, Verna Isabel Reams, Mary Agnes Dempsey and Harry W. Witchey.

J. L. Reeve, a former resident of town and who had a number of business interests here at one time but who has been living at Bel Air, Md., for several years was visiting friends in town this week. We understand "Landy" has disposed of his farm and is thinking of locating in our town again.

Rev. S. T. Lewis conducted the funeral service of Harry Stewart at Sandy Ridge on Wednesday evening. The remains were taken to Bousburg for interment on Thursday morning.

AGAINST PROPOSED CUT

Harrisburg, May 25.—The Clearfield county members of the Legislature are greatly interested in the proposed appropriation for improved roads and will doubtless object with vigor any attempt to reduce the amounts now carrier in a pending bill.

Under its present provisions Clearfield county will receive \$261,751.60 for State Highways and \$65,027.65 for State and roads. The latter amount must be donated by the local authorities, making available for improved roads in Clearfield county a total of \$331,389.80.

The allotment among the counties is made by State Highway Commissioner Black, who insists that each county shall have an equitable share of the total appropriation. The allotment indicates as well the volume of work planned for Clearfield county by Commissioner Black and Chief Engineer Uhler, for the next two years. A reduction in the bill of one million dollars, for State all work, and of four million dollars for State Highways, would mean a loss to the roads of Clearfield county of \$110,469.30.

REHEARSAL POSTPONED

The chorus rehearsal at the West Side church has been postponed until next Friday night on account of the P. O. S. of A. rally.

Civil War Veteran's Final Muster Out

Abram Fleck Dies at His Cherry Street Home Last Night

Abram Fleck, a resident of Clearfield for almost half a century and a veteran of the Civil war with a most enviable war record, passed peacefully into rest at his Cherry street home about 10:30 o'clock last evening in the 73rd year of his age, following an illness of several months duration.

The deceased was born at Tipton Blair county, July 22nd, 1844. On July 15, 1863, he enlisted in Co. C Twenty Second Pa. cavalry and was discharged February 5, 1864. February 24, 1864, he re-enlisted in Co. B, Third Pa. Cavalry and was discharged from this service October 31, 1865. Mr. Fleck was a good soldier and possessed a most meritorious military record, his discharges reciting the fact that he had participated in the following battles or engagements: Lectown, Maryland Heights, Snicker's Gap, Winchester, Opequan Creek, Berryville, Charleston, Hallsboro, Martinsburg, Stevens Depot, Driskville, Bunker Hill, Martinsburg, Winchester, Fisher's Hill, Mount Jackson, Brown's Gap, Mt. Vernon, Force and Cedar Creek.

After the war he returned to Tyrone and on March 7, 1867, was married to Miss Elizabeth Shellow, who survives him together with one daughter, Mrs. J. L. Shellen and one son Cecil W. Fleck all of Clearfield. One sister Miss Margaret Fleck, of Tyrone, also survives him.

In 1874 Mr. Fleck moved with his family to Clearfield where he took charge of and operated the gas house for a number of years. Following his retirement from this position he engaged in contracting and construction work. He was possessed of more than ordinary ability in his line and his services were always in demand.

He was an industrious, hardworking good citizen and possessed a wide circle of friends. The funeral will be held from his late home Monday afternoon at 2 o'clock, Rev. Hartman, of Trinity M. E. church officiating. Interment in Hillcrest cemetery.

Jews Will Celebrate Feast Of The Weeks

Celebration Begins Saturday Evening And Continues Over Sunday

The Jewish people of Clearfield will celebrate "Shabbath" or the Feast of Weeks" beginning Saturday evening and extending over Sunday. This is one of the important Jewish holidays but had never before been celebrated in Clearfield on account of the small number of Jewish families in our town.

They will hold their services Sunday in the Fireman's hall in the borough building. Following is a description of the feast of the weeks:

After the children of Israel had left Egypt, Moses led them through the desert. They met with several adventures on the way, such as finding bitter water at the well of Marah and having no food in the wilderness of Sin. In both instances their troubles were relieved by the mercy of God, who rained down manna from heaven for them, and told Moses how to sweeten the bitter waters of Marah.

They came to Mount Sinai. Here on the sixth day of the third month, Sinai, God revealed to them His law, and through Moses gave to the people the Ten Commandments. This sublime event took place on the fiftieth day after their departure from Egypt. For this reason the feast is also called Pentecost, which is derived from a Greek word meaning fifty. It is called the Feast of Weeks, because forty-nine days, or a week of weeks elapse between it and the first day of Pass-over.

BILL HUBBARD DEAD

W. C. Hubbard the insurance adjuster, so well and favorably known in Clearfield, passed away in a hospital at Pittsburgh yesterday following an operation for cancer. Mr. Hubbard was a member of the Crystal Springs hunting camp and news of his death was a sad shock to his friends here.

NOTICE

Travelers Report Loss Of Cunard Liner Feltria With 53 Missing

New York May 25—Loss of the Cunard liner Feltria with at least two colored American firemen included in the 53 missing was reported by travellers from Europe who were in New York today. The Feltria was sunk May 5, they said, being sunk after an unwarned torpedo attack by a submarine. She sank in ten minutes. The survivors were picked up by an admiralty yacht May 6. The travellers also brought the information of the sinking of the British steamer Maine which was under American charter and which flew an American flag, and the sinking of the British steamer Corfield by shell fire and torpedo attack. Three of the Corfield's crew were lost including a white American sailor.

Miner's Notify Billy Wilson That They Accepted Scale Under Protest

DuBois, May 25.—No. 2 miners in special convention here today drafted a letter addressed to Secretary of Labor Wilson which declared that the Washington scale agreement was accepted under protest. The convention objected to the car-pushing terms and asked that the Federal government investigate that phase of the coal industry in this state. Another request was that the government investigate the high cost of living.

Judge Gary Predicts All Neutrals Will Declare War On Germany

New York, May 25.—A prediction that "some or all of the South and Central American Republics and China, Spain, Scandinavia, Holland and Switzerland probably will declare war on Germany" was made in a speech before the annual meeting of the American Iron & Steel Institute here today by Judge Gary, of the United States Steel Corporation. "The allies' greatest element of success is their principle that 'right makes might,'" said Gary. "It is doubtful if any of us realize the strength of the enemy except his grim determination to fight. For the reason that we are right we shall probably see other nations of strength and importance heretofore neutral in attitude join the allies in the war. These countries will not permit their people to be subject to the domination of a nation which considers force as the only consideration for aggression and expansion."

First American Fighting Unit Are At Work On Firing Line In France

By Henry Wood

At the Training Camps of American Fighting Forces Somewhere in France May 25—America's first fighting forces were in active service today. Section one of the American munitions transport company numbering 40 odd young Americans were busy hauling shells and ammunition to the French fighting forces at the front under fire. Simultaneously with Section one's entrance into active duty there arrived Section two and three. These are composed mostly of Hanover College men who will commence active duty this week. There are also Dartmouth, Yale, John Hopkins, Chicago and Williams College students in the unit.

The third section of the American munitions transport service arrived at the front today according to a statement by A. Diatt Andrews, commander of the unit. "No. 3" is under command of H. C. Kennedy of Hanover Mass., who in 1916 was captain of the Dartmouth football team.

WOMEN'S CLUB MEETING

A very successful and well attended meeting of the Woman's club was held last night at the home of Mrs. Frank Reed. A short business meeting was followed by a musical program. There were solos by Miss Margaret Betts, Miss Elizabeth Reed and Miss Eleanor Martin and Miss Betts and Miss Reed also sang two very lovely duets. Mrs. Van Austin accompanied the soloists with her usual skill. Miss Margaret Wrigley and Mrs. J. L. Irwin gave delightful piano selections. All the music was enthusiastically appreciated. Light refreshments were served by Mrs. Reed. The club wishes to thank Mrs. Reed for her hospitality.

BURIED AT SANBORN

Have you talked to your banker about a Liberty Bond?

Those of us who studied geography a decade or so ago would have considerable trouble describing Europe today.

Make every lazy dollar work. It will work with absolute safety, highest efficiency and for the honor and glory of the Stars and Stripes when invested in a Liberty Bond.

DuBois is making an effort to start a canning factory. A laudable enterprise. Let us all have a little canning factory in our kitchens.

Enlist or invest,
For there's no other way
To be happy, contented,
But to fight or to pay.

The circus cashier who decamped with some of the funds last night under cover of darkness should be indicted for receiving stolen goods as well as for the stealing of the cash.

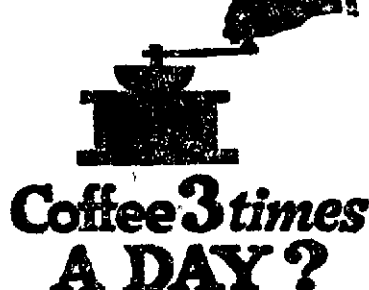

Liberty Loan bonds are becoming popular as wedding presents, according to the city press. Let us hope the practice will continue until Xmas so that the giving of gifts will have some benefit aside from the joy of giving.

The law says a minor is a person who is under the age of twenty-one years but when he buys liquor he is not considered a minor unless he shows nothing but fuzz on his upper lip, still uses pomade to make his hair lay straight

and gives every evidence of using the nursing bottle and being tied to his mother's apron strings.

It does not take a Barnum and Bailey circus to fool the people. Any outfit that can drum up a parade can get us going. We pay our money, acknowledge our shortcomings and permit the same thing to be done time after time.

Some newspapers seem to think that the man who buys a Liberty Bond is sharing the burden of the war. We cannot see how it is a burden in any sense of the word. It is a saving and an investment. You may invest your money at a sound rate of interest and for those who do not make a practice of saving it is the chance of their lives to start now and not only see their money draw interest but working for a glorious cause as well. The only burden may be that which comes to every man who saves his money and sacrifices some of the more frivolous luxuries of life but while he is sacrificing that little pleasure he has the advantage of knowing that his money is safe in a "government bond."

Do You Grind

Coffee 3 times A DAY?

If you do, you grind into it the bitter chaff which ruins its flavor and aroma.
There is no chaff in Golden Sun Coffee. It is cut by a special process—not ground. Packed in air-tight, sealed, flavor-retaining cans Golden Sun gives a maximum number of cups of rich, clear, fragrant coffee to every pound.
The price is modest. Only grocers sell it. No premiums—just the finest coffee.

Now-Ajax Tires Are Registered

HERE'S big news for tire users. Every tire is guaranteed in writing for 5000 miles and registered at the Ajax factory in the true owner's name.

This is the final proof of the security of the Ajax 5000-mile guarantee. It means close and definite relation between the user and maker—through the dealer.

And Ajax means a real saving. Compare its 5000 miles guaranteed with the 3500 miles anticipated service you may expect from other standard makes.

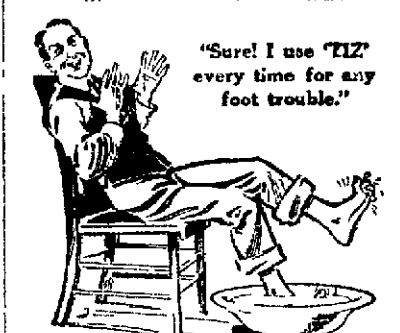

Almost twelve years have proved the strength of this guarantee. Equip your car with Ajax Tires. New fresh stock in full range of sizes.

CAN'T BEAT "TIZ" WHEN FEET HURT

"Tiz" for sore, tired, puffed-up, aching, calloused feet or corns.

"Sure! I use 'TIZ' every time for any foot trouble."

You can be happy-footed in a moment. Use "Tiz" and never suffer with tender, raw, burning, blistered, swollen, tired, aching feet. "Tiz" and only "Tiz" takes the pain and soreness out of corns, calluses and blisters.

As soon as you put your feet in a "Tiz" bath, you just feel the happiness soaking in. How good it feels, old feet feel! They want to dance for joy. "Tiz" is grand. "Tiz" instantly draws out all the poisonous exudations which pull up so a foot and cause sore, inflamed, aching, sweaty feet.

Get a 25 cent box of "Tiz" at any drug store or department store. Get instant foot relief! Laugh at foot sufferers who complain. Let a few feet be never, never coming to bother or make you limp any more.

HOSPITAL COMMENCEMENT NEXT THURSDAY

The graduating exercises of the Clearfield Hospital Training school for nurses will be held in the auditorium of the Clearfield High school on Thursday evening, May 31st, at 8:15.

There will be ten young women graduate from the training school this year and the hospital feels that it has a right to be proud of the class. An effort has been made to have an exceedingly attractive program, and it is hoped that the people will show their appreciation of the hospital by their attendance at the Commencement.

Give Us A Great Medicine---Was The Cry of All Suffering Humanity
For The Suffering And Ailing Millions Has Come An Answer--GOLDINE

Shawn, The Original GOLDINE Man Himself
Not An Agent, Not A Demonstrator, But Shawn Himself, The Man Who Originated The Perfected Goldine, Invites All To Try His Wonderful Medicine Absolutely FREE At Stewart's Drug Store Here In Clearfield

Three years we spent in perfecting these remedies. We imported rare herbs and roots; we searched the world for new ideas in curative science. We employed experts to aid us in perfecting these wonderful remedies.

Now we have arrived at our ideal, as near perfection as is humanly possible. We make our extracts from the fresh roots, herbs, barks and berries. The fresh herbs are all we use in them. Then we concentrate them into an essence, getting almost entirely rid of the extreme bitterness characteristic of herb medicines. These extracts—as pure as Nature and scientific chemistry can make them—are then boiled, ready for you with all the creative value of Nature's greatest remedies—Root and Herbs.

IS GOLDINE A TRULY GREAT MEDICINE? LET DUBOIS PEOPLE ANSWER

Wife of Rev. David Lunquist, Well Known Minister

Pastor, Swedish Congregational Church, of DuBois, says: "For three years I have been having trouble with my nerves. I was troubled with sleeplessness, would get dizzy spells short of breath, suffered from rheumatic neuralgia through the muscles of my limbs. I also had liver trouble, my skin was sallow, tongue coated and I had gaseous indigestion. My nerves were so bad I got weak and trembled and couldn't sleep at night. Since using Goldine I can sleep good and am full rested in the morning and I can eat and digest my food. I have found Goldine to be up to its claim and can recommend it as a good medicine from my own experience."

Mrs. Etta Harber, Paralyzed, Recovers in Week:

Says Mrs. Harber: "My face was swollen and was numb from paralysis. I was dizzy, short of breath, my heart palpitated. I was blind with gas, I had rheumatism, my knees got stiff. Now, what I am I had to go to ten times each day and I have been almost entirely recovered."

Shawn, Originator of "GOLDINE"

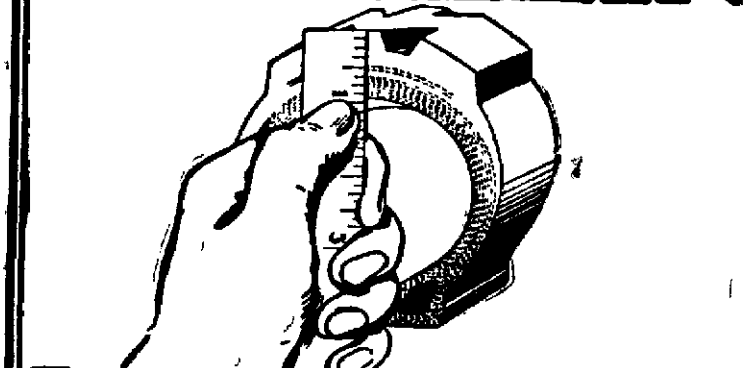

been of these conditions and am now enjoying better health than for a long time. I invite any one to come and see me if they doubt these facts."

W. H. Spencer, Enthusiastic After Six Days' Use.

Says: "For a long time I have had rheumatism, headache, dizziness, catarrh, dropping of mucous in my throat, lame back, getting up nights 7 or 8 times because of bladder trouble, smarting, scalding, ankles and limbs swelling and feet going to sleep. I was nervous, weak, trembled and run down. Six days after I started the Goldine Remedies I am wonderfully benefited. I have been doctoring for years, but never before have I had such benefits as these Goldine medicines have given me."

Mr. Lewis, A Painter by Trade

Says: "It was my stomach that bothered me. For ten long years I had the trouble. I bloated with gas, had headache, shortness of breath and palpitation of the heart. I had rheumatism in the muscles of my legs, numbness in my back and my limbs got numb. Goldine has surely been a wonderful benefit to me."

MICHELIN**Extra Mileage You Can See and Measure**

The extra thickness of the Michelin Tread—due to extra rubber and fabric—means additional mileage. Especially is this true since every ounce of rubber and fabric is the toughest that money, skill and experience can produce. Michelins give so much mileage that they'd be economical even if high priced. But they're not high priced.

At Nieman's New Clothing and Shoe Store

To accomplish our aim, that of making this store for the BEST in VALUE and LOWEST in PRICE, we are determined to spare neither time nor money to reach the goal. Like all beginners in any town we find that our purchases in certain lines were too large while in other lines our first stocks have been duplicated several times. We are going to READJUST our stock at the same time trimming every department to such a point as will better them for our customers, and in order to do this quickly former prices will have no consideration. Remember the date of this sale.

Sale Begins Saturday, May 26th, at 9:00 A. M., and Continues Until June 4th, 9 P. M., 1917

Screen Your Home

The best way to "Swat the Fly" is to keep him out of your home altogether. A little money invested in screens at this time will more than repay itself during the summer.

Screen Doors, Window Screens and Netting

We have several elegant patterns in screen doors. They are well made of kiln dried Southern pine and positively will not warp. The window screens are made with adjustable frames to fit any size window. We have the fly screen by the yard in all widths in enameled, galvanized and copper.

An ounce of prevention is worth a pound of cure. Act now.

This Store Stands To The Forefront---Ready

Tomorrow We Begin An Unusual Sale In Our Ready-to-Wear Department

Our Entire Stock of New Spring Suits And Coats, At Prices Less Than Regular.

That this announcement will create unusual interest is a foregone conclusion. It is a radical step to take—to reduce the price of ready-to-wear garments just when there is the greatest demand for spring clothes. The cold weather for the past several weeks has compelled you to wear your heavier clothes. It is because of this unseasonable weather that we have a larger stock in our ready-to-wear section than we had hoped to have at this time. This price reduction affects a great number of garments; so rest assured that it will pay you handsomely to visit the store tomorrow morning—early.

WOMEN'S SUIT SALE

\$22.50 and \$25.00 Suits, sale price \$11.25
\$27.50 and \$30.00 Suits, sale price \$13.75
\$35.00 and \$40.00 Suits, sale price \$17.50

WOMEN'S COAT SALE

\$12.50 and \$15.00 Coats, sale price \$6.25
\$17.50 and \$18.50 Coats, sale price \$8.75
\$22.50 Coats, sale price \$11.25

Millinery Radically Reduced

We are going to make quick disposal of the remaining spring hats. They include some of the most fashionable shapes of the season.
Ladies' \$5.00 and \$6.00 trimmed hats \$2.50
Ladies' \$7.00 trimmed hats \$3.50
Children's \$2.00 to \$3.50 trimmed hats now \$1.50 to \$2.25
\$6.00 and \$7.00 untrimmed shapes at \$4.95

A Double Value---98c for Sport Hats Worth \$1.50

Reports from manufacturers say that sports designs are very popular this summer. So the mere mention of this low price of such unusual hats will sell these quickly.

Hats For The Kiddies---Dear, Dainty Little Affairs At \$1.00 to \$3.50

The other day a mother brought her little girlie into our store, dressed in a pretty white dress. The child had a little white hat on which seemed to match the dress perfectly. The hat came from our children's millinery section and we wondered then, if it would not be a good idea to tell mothers what a fine showing of children's hats are found here. Will you bring your little one in and try some of these hats on her precious little head?

For A Trim Looking Ankle, Silk Stockings at \$1.25 a pair

If you would have your summer pumps fit comfortably and your ankle neat and trim looking, you must wear a pair of silk stockings such as these. The silk is of superior quality, fits the foot smooth and has the richest appearance. May be had in black, white, gray, bronze, navy, regimental and fancies.

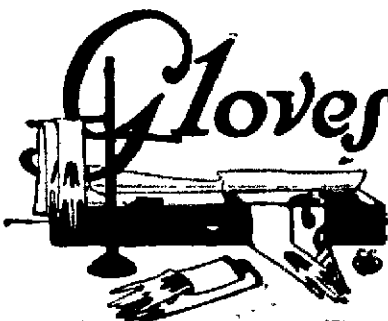

They've Come At Last---Silk Gloves at 59c A Pair

We have been waiting, anxiously for their arrival—and now they're here. Fit well. Made of strong, moderately heavy silk with an especially large showing of black and whites with self and contrasting stitching. Two clasp length.

Washable Fillosette Gloves 75c pr.

Fillosette gloves such as these would be good value at any price, because they give splendid service and look just as fresh after each tubbing and are in just the right weight for summer wear. Have stitched backs and two clasps.

Friday Hour Sale From 10 to 11 A. M.

59c White Gaberdine, Extra

(At the White Goods counter)

Girls Gingham Dresses at \$1.25

These gingham dresses at \$1.25 will prove two things, first that a very good dress can be bought for little cost, and secondly, that a practical dress can also be made very attractive and very pretty. Fast color gingham used in the making which may be had in bright color plaids so much in demand. Sizes 2 to 14 years.

Other pretty wash dresses 79c to \$3.50
